Our routine review of the Patent Office website revealed that a Hearing Notice dated 27th September 2023 has been **issued on the above application but we have not received the said Hearing Notice.**

Please send us the said Hearing Notice by e-mail to our email addresses patents@dpahuja.in and patents@dpahuja.com.

We would request you to please investigate the matter to determine why the Hearing Notice was not sent to us by e-mail. We have instigated the matter from our side but did not find any issue with our Incoming e-mail system.

The first e-mail address [PATENTS@DPAHAUJA.COM](mailto:patents@dpahuja.com) mentioned on the Hearing Notice **is incorrect. Our correct email address is PATENTS@DPAHUJA.COM.**

This typographical error in the email address is not from our side and does not appear in any of our letters / forms sent by email or uploaded online.

It appears that the incorrect email address is being automatically fetched when some communication are being sent by the Patent Office and as a result we are not receiving the official communication.

Yours Faithfully,
